Metro Lines 14 and 7

PSCC INNOVATION FORUM 2026

MORNING Scientific presentations

8:30 **Coffee reception**

9:00 **Welcome address** – **Eric Vivier**, PSSC

9:10 **#1: Progress in Oncologic Surgery: Towards more targeted, conservative and data-driven approaches**

- **Olaf Mercier**, Hôpital Marie Lannelongue, France

9:30 **#2: Pushing Boundaries in Cancer Treatment**

- **Norbert Pardi**, Pennsylvania University, US

Lipid nanoparticles for mRNA vaccine delivery

- **Antonin de Fougérolles**, Ethernà, US

Optimizing mRNA and LNP for better vaccines and therapeutics including improving delivery to extra-hepatic sites

- **George Coukos**, Ludwig Institute for Cancer Research, Switzerland

Development of effective personalized T cell therapy for solid tumors. Lessons from bedside to bench and back

- **Volker Wagner**, Orano Med, France

Orano Med's ²¹²Pb-based Targeted Alpha Therapies

11:00 **Improvisation Performance**

11:10 **Break – Networking**

11:40 **#3 : Inspiring the Next Generation in Oncology**

- **Léa Montégut**, Mount Sinai, US

Decoding and targeting host-cancer interactions in lung tumor initiation

- **Laurence Buisseret**, Institut Jules Bordet, Belgium

Investigator-initiated multidisciplinary trials: unlocking innovation in early breast cancer

- **Jill Pillet**, Institut Curie, France

Epigenetic reprogramming drives polycomb targets derepression in BCOR:CCNB3 pediatric sarcomas

12:10 **Inspiring talk**

From Diagnosis to Hope, One Patient's Story

12:30 **Lunch Break – Networking**

Networking rooms

From 9:15 to 17:45

One-to-One meetings

PSCC INNOVATION FORUM 2026

AFTERNOON Roundtables and Start-ups Pitches

13:45 **Keynote #1:** Delivering on Our Mission: A Year of Results and the Road to 2027 – **Benjamin Garel**, PSSC

14:00 **Roundtable #1:** Making Fundraising a Success – From Pre-Seed to Series B

Jack Elands, Adcytherix (Biotech), **Paul Bravetti**, Brenus Pharma (Biotech), **Cristina Vilarmau**, Mimark Diagnostics (Medtech), **Matthieu Coutet**, Sofinnova (Investor), **Alain Horvais**, Kurma Partners (Investor)

14:45 **Pitch session:** 4 start-ups supported by the PSSC

- **Emmanuel Gomez**, Inatherys (Biotech)
- **Christophe Hubert**, EnnoDC (Biotech)
- **Vincent Gass**, Recobia (Medtech)
- **Agnes Martinec**, Cyberna (Medtech)

15:45 **Break – Networking**

16:15 **Keynote #2:** The Scientific Offer at Campus Grand Parc: Supporting Innovation from Discovery to Development

16:25 **Roundtable #2:** Structuring Successful Industry Partnerships: From One-Product Deals to Full-Company Collaborations

Etienne Formstecher, GMT Science (Medtech) **Rémi Dangla**, Stilla Technologies (Medtech)
Benjamin August, Daiichi Sankyo, **Anne Dagallier**, Servier

17:10 **Improvisation Performance**

17:25 **Best pitch award ceremony & Conclusion**, **Eric Vivier**, PSSC

17h45 **Cocktail Networking**

Networking rooms

From 9:15 to 17:45

One-to-One meetings
